UNLESS SPECIFICALLY INDICATED ELSEWHERE, THIS PROPOSAL IS SUBJECT TO THE FOLLOWING:

TERMS & CONDITIONS:

1. Terms of payment are Net 10 days. Late charges may be assessed at 1.5% per month on past due balances. Applicable taxes are not included. Should payments be received after 60 days, then Thermal may stop all work under this Proposal and/or cancel the Proposal, and the entire price shall become due and payable.
2. Thermal is not responsible for loss or damage caused by unavailability of equipment, components or material for whatever reasons, including forces of nature, inaccessibility to premises, negligence by Customer or others, inadequate system design, vandalism or other causes beyond Thermal's control.
3. Both parties shall seek to avoid litigation. However, in the event that any legal actions are required to be taken by either party relating to this Proposal, it is agreed that such legal actions shall be commenced within one year, or earlier as may be provided by law, from the date in which the cause

Customer Initial _____

of action occurred and that the successful party in such legal action shall be awarded reasonable attorneys' fees, litigation or arbitration costs, and collection costs. Any and all legal action shall be filed within the county wherein the work was performed.

4. It is the customer's obligation to inform Thermal of the existence of any hazardous material that may exist at the jobsite. In accordance with OSHA's Hazard Communication Standard Regulations, Customer shall provide Thermal all relevant Material Safety Data Sheets (MSDS).

5. Thermal's responsibility under this Proposal excludes the identification, removal or abatement of asbestos, mold, mildew or other hazardous substances. In the event such products or substances are encountered, Thermal's obligation shall be limited to informing Customer of the possible existence of such materials. In the event that hazardous substances are encountered, all work shall immediately cease and shall not again commence until written documentation that abatement has been performed is provided to Thermal.

6. Thermal and Customer agree that the occurrence of any of the following conditions which, without limitation, might render performance by Thermal impractical, such as, but not limited to: strikes, fires, war, inclement weather, late or non-delivery by suppliers of Thermal and all other contingencies beyond the reasonable control of Thermal. Under no circumstances shall Thermal be liable for any special or consequential damages whether based upon lost goodwill lost resale profits, work stoppage, impairment of other goods or negligence otherwise and whether arising out of breach of warranty, breach of contract, negligence or otherwise, (unless such negligence is directly caused by Thermal) except only in the case of personal injury where applicable by law requires such liability. But in no event shall Thermal's liability exceed the purchase price paid under this Proposal.

7. The Customer shall pay Thermal, in addition to the price of this Proposal, the amount of all present and future taxes or any other government charges now or hereafter imposed by existent or future laws with respect to the transfer, use, ownership or possession of equipment to which this Proposal relates, exclusive of ordinary personal property taxes assessed against Thermal.

8. It is agreed that the Customer shall assume responsibility and pay extra for all services and material required due to electrical power failure, low voltage, burned out main or branch fuses, low water pressure, corrosion, or lightning strikes, and any and all items listed in the EXCLUSIONS section of this Proposal.

9. Customer is responsible for the cost of any additional items of equipment or performance of any safety test or correction in design as recommended or required by insurance companies, state, municipality, or other governmental authorities.

10. Only the materials specifically listed in the service details section of this Proposal are included as a part of the Proposal. All other materials and/or equipment replacement are to be paid for by the Customer, in addition to this Proposal, if the Customer so requests or authorizes such work to be performed by Thermal.

11. All work covered under this Proposal shall be performed during normal working hours, 8:00 am to 4:30 pm Monday through Friday, excluding legal holidays.

12. Any additional work, not specifically stated elsewhere in this Proposal, shall only be performed upon authorization of Customer prior to proceeding with the work. Customer's oral or written authorization will be mutually acceptable.

13. All additional work, unless a quoted price is agreed to prior to commencement of the work, shall be performed on a time and material basis. Signature of Customer's building maintenance personnel or other employee on Thermal's Work Order/service ticket shall constitute acceptance and authorization for payment of the work covered by that form.

14. Thermal reserves the right to discontinue this Proposal at any time, without notice, in the event that payments under this Proposal shall not have been made as agreed.
